Dear Principal,

As you are aware that all Institutes of Hotel Management under NCHMCT offering the B.Sc. Hospitality & Hotel Administration (HHA) program are required to provide the “vegetarian only” option to students as per Council directives.

It is mandatory that this information is prominently displayed and clearly communicated on your institute’s website and in promotional materials for admissions and public awareness.

Additionally, please ensure that this option is explained in detail to all newly admitted students during the induction program for the 2025 batch.

Your cooperation in ensuring comprehensive and transparent communication of the vegetarian-only option is highly appreciated.

Dr Priyadarshan Lakhawat
Director- Academics
NCHMCT
